A cartoon illustration of an elephant's head and trunk. The elephant is white with a red flower on its ear and a red collar. It is holding a smartphone in its trunk. A speech bubble is coming from the elephant.

Oh my! I have to allow
access to these things
before installing
Doke-Go?

Do you
check app
permissions on
your phone?

A speech bubble containing a screenshot of a mobile app permission dialog box. The dialog box has a title bar with a close button. The text inside asks for permission to access location, personal profile, and contacts. There are 'Yes' and 'No' buttons at the bottom.
